# ABOUT M4 EXPO

**M4 Expo 2024** – Manufacturers -Multi Product- Multi Industry -Made for World Expo is an International business platform for Multi Industry Machinery, Equipment and Engineering Technology Manufacturers, Multi Product Manufacturers, Raw Materials Manufacturers from across the globe to discover endless possibilities to support the growth of manufacturing industry and find out new business opportunities worldwide.

**M4 Expo 2024** is comprehensive b2b trade expo for manufacturers to display their latest Machineries, Equipments, Technologies, and Finished Products at this platform in Thailand. The event is providing an opportunity to exhibitors to interact with their potential buyers from across the world for increasing their export-import, technology exchange, joint venture, investment and Setting-up manufacturing plants abroad.

# TRADE OVERVIEW

Exports to Thailand in India increased to 41.58 INR Billion in July from 38.30 INR Billion in June of 2022.

The bilateral trade between India and Thailand reached an all-time high of around USD 15 Billion in 2021-2022

In the past five years, trade volume between two countries increased rapidly and the free trade agreement Thailand and India and ASEAN-India, with lower tariffs and trade barriers are fully utilized by private sector in both the countries, which will encourage more trade.

M4 Expo 2024 Thailand is comprehensive b2b trade expo on various Manufacturing sectors to display products, innovations, equipments, machineries, technology to increase the export business in Thailand and other South-East Asian Nations (ASEAN).

M4 Expo 2024 is a platform for the manufacturers from across the globe to discover endless possibilities to support the growth of manufacturing industry. Exhibitors can display their latest manufacturing machinery and New Technology for the New Manufacturing to keep up their competitiveness products to keep attracting the buyers.
